Dear Students,

"Education is not the learning of facts, but the training of the mind to think." - Albert Einstein. Our system of education is a blend of theory and practice in the right proportion to arrive at a comprehensive curriculum.

We believe in all round development of the students, in both intelligence and character.

Come on, let's give our best and make this institution a modern temple of learning.

Sh. Kishan Mittal
Trustee
Mittal Charities,
Mumbai

Dear Students,

I welcome you all on behalf of the entire Smt. Kamala Devi Gauridutt Mittal Mahila (PG) Mahavidyalaya family. In the emerging highly competitive world, there is obvious need to produce dynamic minds who can adapt to the changing scenarios and complex situations and are innovative enough to face diverse challenges effectively.

I can assure you that our institution is fully prepared to raise such progressive minds which are the basic requirement of this hour. Our college has a strong team of experienced staff who are devoted and committed to the cause of education. One of the biggest reasons why education is important is that it helps us to become better versions of ourselves.

Sh. Suresh Mittal
Trustee & Secretary
Mittal Charities,
Mumbai

Dear Students,

"We want the education by which character is formed, strength of mind is increased, the intellect is expanded and by which one can stand on one's own feet." - Swami Vivekananda. Education is the main tool that changes the thinking of a person. So Smt. Kamla Devi Gauridutt Mittal Mahila (PG) Mahavidyalaya strives to provide the best education at affordable fees. It provides support to the needy students. It is with immense pleasure and a sense of pride that I welcome you to this institution.

To conclude it is my promise that the institution will prove to be an ideal place to provide all possible opportunities for the best education and development of an all round personality to meet the challenges of a competitive future.

Dr. Mrityunjay Kumar
Pareek
Principal

Dear Students,

"Success is hidden in the locked casket with the keys of hardwork and determination"

Mittal Girl's College is wholly dedicated to women's education. We are always leading our efforts to achieve new horizons in the field of women empowerment through education and cooperation.

Education is a tool to stimulate our conscience. In this respect our college has initiated an E-Bulletin to provide a medium to our students so that they can get themselves acquainted with the various programmes, activities, creativity of the students of our college. Your valuable suggestions are always welcome as they will help us to get to heights.

A lots of thank for your good wishes and blessings.
