Dear Students,

I welcome all the students in Smt. Karnadevi Gauridutt Mittal College. "Education is the integrated system of overall training which transforms the total personality and broadness their outlook."

Since the establishment of Mittal Mahila Mahavidyalaya it has been recognized for its academic excellence for women. The main aim of this institution is women welfare through higher education among the girl students of our locality as well as other sections of our society.

The college which began with a few students in the year 1981 stepped into its 38<sup>th</sup> year in the session 2018-19 with the reckoning reputation of being one of the most renowned premier post graduate institution. It now has appreciable strength of more than 850 girls.

A total of 40 staff members are engaged at all times in converting limits into possibilities. Teacher's unmatched sense of dedication and hard work has helped this intuition achieve great heights over the years.

Dear Students,

Our College has been setup with a vision to promote Women's Education and guide the students and emphasizes the importance of positive approach in the life.

The real meaning of Education is that it links students to the practical life. We believe that true Education is one that develops overall personality of individuals therefore it has been our endeavor to offer best of all the facilities to our students.

The objectives of our institution are to develop integrated and elegant personality, to provide both material and moral training which is very essential to create and ideal responsible citizen and to shape girls into tolerant, sincere and responsible person.

**Sh. Suresh Mittal**  
Trustee  
Mittal Charities, Mumbai

Dear Students,

We have always believed in the proverb "institutions are build by human beings and not by brick and mortar." Keeping this in mind we shall continue to strive for making K.D.G.D. Mittal College the best educational institution in the region. The mittal college provides good education to girls which empower them to get the bright career break in all the fields.

Today we live in the era when the world is opening its eyes to india. High intellectual ability combined with strong academic background and capacity for hard work has made Indians the most tough after workforce all over the world.

This institution not only provides students with quality education but also groom them to face life with confidence. Excellence in education is the driving principle at mittals. No effort is spared in providing students with a focused academic environment which nurtures complete development of personality and today our institution provides education to more than 850 girls.
