MESSAGES

Dear Students,

We believe in the overall development of the students, in both intelligence and character. We run many student welfare programs to boost the enthusiasm of the students who have limited means to study further. Our aim is to encourage the student to become a creative professional and connect her to an exciting and rewarding career. We firmly believe that education is a collaborative effort that involves professional administrators, dedicated teachers and disciplined students. The ultimate purpose of education at our institution is to transform the students into competent professionals with human virtues to liberate themselves from their limitations. The success of Smt. Kamla Devi Gauridutt Mittal Mahila Mahavidyalaya is not sheer luck but a result of clear focus, vision and determination.

Dear Students,

It is my pleasure to welcome you to Smt. Kamla Devi Gauridutt Mittal Mahila Mahavidyalaya an institution affiliated to Maharaja Ganga Singh University, Bikaner (Rajasthan). The real meaning of education is that it links students to the practical life.

No effort is spared in providing students with a focused academic environment which nurtures complete development of personality.

Our institution has become a synonym for excellence in academic as well as extracurricular activities. I am proud to be part of such an institution which develops positive environment between students, parents and teachers and thus encourages them for having a healthy partnership which ultimately leads to success.

Dear Students,

Our unique educational system will ensure that students gain not just depth and breadth in their selected areas of specialization but a holistic set of skills that will equip them to face the real world.

Our college has a highly experienced and qualified staff to guide and motivate the students. Education is a process by which character is formed, strength of mind is increased and intellect is sharpened, as a result of which one can stand on one's own feet. The importance of college education can be determined by the role it plays in our life. I think that college education is a way to understand the things that we learn earlier with a deep knowledge and its application in real life. I extend my warm welcome to you as you became part of our college.

Dear Students,

It is always a pleasure to share our joys, our achievements, our successes and our thoughts with you. The world around us is constantly changing and we are aware that there are many challenges that lie ahead of us as we navigate around this world of changing demands. Education and training today are to be aligned and geared to meet these remarkable challenges.

We have a talented, dedicated, caring team of staff, each of whom works very hard to ensure that the abilities of the students in our care are nurtured and carefully developed.

I pray to Almighty that the college scales new heights in the coming years and shines in the Galaxy of glory and fame.

Dr. Mrityunjay Kumar Pareek

Recent Placement

Our student **Bhumika Agarwal** from Faculty of Commerce, recently got appointed as **Senior Officer in ICICI Bank**. This placement was possible through the "Walk-In Recruitment Drive" organised by Smt. Kamla Devi Gauridutt Mittal Mahila Mahavidyalaya in association with NIIT. Our college is planning to organise such activities in future also to boost the confidence of our students and give them a platform to fulfil their dreams.

The IQAC has been constituted as per the guidelines of NAAC and UGC for successful implementation of quality enhancement initiatives recommended in the review meetings, feedbacks, and periodic audits to ensure quality improvement and sustenance towards promoting holistic academic excellence. The Internal Quality Assurance Cell (IQAC) of the College is well aware of its role in improving and assuring quality in academic and related activities of the College. In this context, the IQAC has taken steps to ensure adequate Students attendance in classrooms and in activities outside the classrooms. The IQAC oversees the feedback of all activities and a systematic statistical analysis of this ensures evaluation and improvement of existing activities.

IQAC evolve mechanisms and procedures for:

Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks. The relevance and quality of academic and research programmes. Equitable access to and affordability of academic programmes for various sections of society.

National Service Scheme

The National Service Scheme (NSS) had its birth on September 24, 1969. The scheme was first launched in 37 Universities comprising 40,000 students. Today the NSS has become the largest Government organization of students in the country comprising members from the +2 level to the college and university level. The strength of volunteers has now increased to more than 30 lakhs, which makes the NSS one of the largest student forces in the world. The NSS has good relations with different government agencies and non-government organizations in implementing its programmes for building up community assets, helping the underprivileged people through education and social services. The NSS is useful not only for the development of the students' personality, but it also helps to promote the unity and integrity of the nation by bringing together young people from diverse geographical and socio-cultural backgrounds. The National Service Scheme (NSS) started functioning at Smt. Kamla Devi Gauridutt Mittal Mahila (PG) Mahavidyalaya since 2000 and the performance of this scheme is highly satisfactory. More than two hundred student volunteers are working on various activities in regular and special camping programmes under the supervision of the programme officers and programme coordinator. The objective of the NSS is "development of the personality of students through community service."

Women Development Cell

The cell comprises the following in college students

- To create social awareness about the problems of women specially regarding gender discrimination.
- To build and develop the self confidence among the female students.
- To provide proper guidance about Women Welfare Laws.
- To assert the importance of moral values, spiritual, economic, social, racial and gender equality.
- To highlight the importance of health fitness and hygiene.
- To direct Women's role in the society.
- To develop multidisciplinary approach for the overall personality development.

To organize seminars, motivational lectures, workshops related to women development.

To prevent sexual harassment and to promote general well-being of female students, teaching and non teaching women staff of the College.

Scout & Guide

The Bharat Scouts & Guides is the national scouting and guiding association of India. The national headquarters of BS&G is recognized by the government of India. Scouting was founded in India in 1909 as an overseas branch of this scout association and became a member of world organization of the scout movement in 1938. Guiding in India started in 1911. Scouting and guiding is an international movement to inculcate a spirit of loyalty, patriotism & thoughtfulness for others in the young boys and girls. Ministry of youth affairs and sports provides assistance for promotion of scouting and guiding all across the country. The purpose of establishing this unit at Smt. K.D.G.D. Mittal Mahila Mahavidhyalaya is to make the students learn how to contribute for the overall development of young people in achieving their full physical, intellectual, emotional, social and spiritual potentials as individuals, as responsible citizens and as members of local, national and international communities. The scout/guide movement is based on the principles of Duty to god, Duty to others and Duty to self.

Environment Club

Eco club seeks to promote environmental awareness at the grassroot level by creating and nurturing green consciousness among the students. Understanding the central role of youth in saving the environment, it encourages them to be ambassadors for spreading the message of adopting an eco-friendly lifestyle in society at large. The club provides a platform to create awareness about biodiversity conservation and local environmental issues by urging people to adapt their daily habits to the most sustainable options and adopt eco-friendly practices like recycling & saving non-renewable resources. It advances the notion that being environment friendly is more about making informed choices on a personal level that changes one's perception about and consumption of resources. It emphasizes on the fact that the commitment to go green requires small & surprisingly easy changes that reduce one's carbon footprint thereby benefiting both the wallet and planet.

Red Ribbon Club

Red Ribbon Club is a movement started by the Government of India in schools and colleges through which, students will spread awareness over HIV / AIDS. It motivates and guides to the students community to extend their kind help towards developing healthy life styles, donating blood to all the needy by promotion of Regular voluntary blood donation. The Red Ribbon is a symbol of fight against drug abuse and AIDS. The Red Ribbon Club at Smt. Kamla Devi Gauridutt Mittal Mahila PG Mahavidhyalaya Sardarshahar, is working for a long time.

Career Counselling & Placement Cell

Career Counselling and Placement Cell has been set up at Smt. K.D.G.D. Mittal Mahila Mahavidyalaya to offer to the students as sense of direction and an exposure to the range of job opportunities available to them. The objective of setting up the Cell includes the idea of preparing the student to launch in to the next phase of life confidently and equip her with the ability to use and connect 'learning' with the living of life.

Different kinds of activities are organized by the Cell in order to:-

- Help the students to realize their aptitude
- Hone their skills and talents with professional support
- Build a strong sense of identity and confidence through workshops in self-development
- Create a base of strong values for work
- Provide them exposure to different kinds of career options
- Offer information about various entrance exams and scholarships available for higher education in India and abroad.
- Invite possible agencies/NGOs/corporate sector/institutions/training agencies etc. for placement of the outgoing students who seek jobs.

Alumni Association

Our college has formed an Alumni Association to foster a spirit of loyalty and to promote the general welfare among the students. Aims - The main aim of the Alumni Association is to provide a good and strong bridge for the alumni, faculties and the Institution for mutual benefits and synergy. Our former students are providing their valuable services in the various field (Govt. & Pvt.) like ; Teaching, Medical & MNCs.

Objectives -

1. To promote a lifelong relation and to act as a forum for the exchange of information among its members.

3. To organize and establish scholarship funds to help the needy and deserving students.

To exchange professional knowledge, organize technical conferences, seminars workshops & training courses.

4. To provide career development and guidance.

5. To create interest and motivate the alumni to participate in the progress of the Institute and make them contribute towards the enhancement of their important mater. IQAC evolve mechanisms and procedures for:

Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks. The relevance and quality of academic and research programmes. Equitable access to and affordability of academic programmes for various sections of society.
