**Institutes which are displayed in the wrong district can correct the same.**

- 1:- From Academic Year 2022-23, all INOs are required to give their AADHAAR information while updating their profile, which will be verified from the UIDAI. NSP does not store AADHAAR on the portal.
- 2:- INO is advised to carefully enter AADHAAR related information (ie AADHAAR number, Name, Gender, Mobile Number & Date of Birth), as mentioned in her/his Aadhaar card. In case verification fails in first attempt, NSP will automatically try to verify AADHAAR related information again, without Date of Birth.
- 3:- Profile will be updated only after successful verification of AADHAAR information from UIDAI and subsequent OTP authentication.

administration to employee. In Mittal Mahila Mahavidyalaya, E-Governance is promoted in administrative and academic work. The areas in which work is done through E-Governance in the college are mainly as follows-

**Administration :-** Under administration in the college, the information is exchanged through website and e-mail with the higher institutions related to education, college management committee and the principal. All the staff use bio-matric attendance. The staff database is managed in file management system.

**Finance and accounts :-** The financial work of the college is done through Tally software. The salaries, allowances and other financial assistance of the employees are paid directly into the account through the bank. The work of student fee and scholarship in the college is done through E-Governance. The College is registered center for the RSCIT course and allotment of students to the college is managed on government portal. Apart from this, programs like NSS and Red Ribbon are operated, their financial work is done through E-Governance. The distribution and registration of scholarships given by the central and state government is done by the college through E-Governance. Scholarships provided by Mittal charitable trust and local trusts are a part of E-Governance. To promote E-Governance in the college, an e-mitra machine has been installed, in which girl students use their examination forms, fees and other services.

**Student admission and support :-** The college runs government degree courses and integrated education graduation courses. The admission process in bachelor of education integrated course is computerized. The students can get information about all the activities of the college, staff and all other services and facilities through online medium from
