POLICY FOR DISABLED PERSON

Date 10-01-2022

Backdrop:

Our institution strongly promotes the national policy which recognizes that persons with disabilities are valuable human resources for the country and seeks to create an environment that provides those equal opportunities, protection of their rights and full participation in the society.

Objectives:

To make aware the differently able person about the facilities available for them by the institution and provide guidance and counseling to them.

Policy practice:

1. Facilitate admission of differently able person in various courses.
2. Provide guidance and counseling to differently able students by the staff whenever needed.
3. Facility of scholarship and fees concession to disabled person as per the government norms and management.

WASTE MANAGEMENT POLICY

Date 18-08-2021

This policy envisages to guaranteeing the moral, social and legal responsibilities of the college in creating an environment-friendly and sustainable world.

1. Our college follows the principle of four "R" reduce, recycle, refuse and reuse.
2. Motivate the students and staff to create plastic free campus.
3. Create consciousness among students and staff of waste management by explaining them various means of waste management.
4. Precautions shall be taken to use steel utensils stored by NSS, home science and college during the camps, functions and other activities.
5. Two types of disposal bins are kept at each and every lab for proper disposal of wastage.
6. Adequate disposal bins are made available at each and every floor of the campus.
7. All the disposal bins waste is disposed in a large container kept by municipality in the campus which is disposed time to time.
8. Water conservation system is installed in campus to ensure no water wastage during rainy season.

GREEN CAMPUS POLICY.

Date 16-11-2021

Introduction

To keep the college environment clean, green campus policy is made in the college. Under which every year in the college tree Plantation program is organized. In which various types of trees are planted in college campus the students are given responsibility for the maintenance of each plant.

Practice

1. Green and Environment audit of the campus.
2. Proper disposal of E-waste formed in the institution.
3. Every year for green campus initiative, plantation program is organized under NSS.
4. Under the aegis of NSS, students are given responsibility of plants for their maintenance.
5. Students are recommended to use more and more degradable material in place of non degradable material such as plastic etc.
6. Paper is reused for writing and printing by the staff and students to ensure less wastage of paper.
