The screenshot shows the website's header with navigation menus for 'About Us', 'Academics', 'Admission', 'Facilities', 'Student Support', 'IQAC', 'Gallery', 'NAAC', and 'Contact'. The main banner is for the NAAC Student Satisfaction Survey (SSS). It features the NAAC logo and the text 'Participate in Student Satisfaction Survey (SSS) by NAAC'. Below this, it says 'Have your say in quality improvement' with an illustration of a student. The banner includes three key points: 'Rate your Institution', 'Suggest Improvements', and 'Identity Not Disclosed'. At the bottom, it provides contact information for the Co-ordinator of IQAC, Miss Reena Verma.

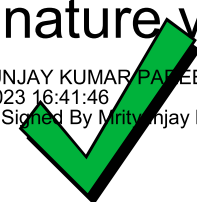

Dear Students,
NAAC (National Assessment and Accreditation Council) has endeavoured to conduct a **Student Satisfaction Survey (SSS)** the results of which will encompass the accreditation process. The Survey will capture student responses from the list of students provided by the Higher Education Institutes (HEIs). This survey is conducted directly by NAAC to give an opportunity to the students to have their say in assessment and quality improvement process.
NAAC will send online link of the survey to the

- **Rate your Institution**
The questionnaire is based on the Likert type scale that means the students will have to give responses on a scale of 0 to 4, with the most positive response being rated as 4 and the most negative response being rated as 0. Analysis of the survey is done using software which will aggregate the responses and generate the score of Student Satisfaction Survey which is important Key Indicator in overall grade of institution.
- **Suggest Improvements**
In SSS, twenty of the twenty one questions will be objective in nature, while one question is open ended to elicit observations and suggestions for improvements thereby providing an opportunity to the student to give suggestions and criticisms in their own words. The questionnaire consists of several facets of the teaching learning process.
- **Identity Not Disclosed**
Students are randomly selected for the survey by system. Except particular student nobody will know which student has received the SSS email and what they have responded. Thus the students will remain anonymous throughout the process.
More details on survey are available on NAAC website [http://www.naac.gov.in/](http://www.naac.gov.in) **apply now**
Student Survey has 30 to 60 weightage (as per type of institution) in the scoring of institutional Grade and hence responses from students can play a critical role in determining institutional grade. It is desired that active participation of students in survey will not only empower the students but also help institutions in continuous quality improvement through student engagement.

If you have any queries, kindly contact: Co-ordinator of IQAC

Mittal Mahila Mahavidyalaya, e-governance is promoted in administrative and academic work. The areas in which work is done through e-governance in the college are mainly as follows-

Administration :- Under administration in the college, the information is exchanged through website and e-mail with the higher institutions related to education, college management committee and the principal. All the staff used bio-matric attendance. The staff database managed in file management system.

Finance and accounts :- The financial work of the college is done through Tally software. The salaries, allowances and other financial assistance of the employees are paid directly into the account through the bank. The work of student fee and scholarship in the college is done through e-governance. The College is registered center for the RSCIT course and allotment of students to the college is managed on government portal. Apart from this, programs like NSS and Red Ribbon are operated, its financial work is done through e-governance. The distribution and registration of scholarships given by the central and state government is done by the college through e-governance. Scholarships provided by Mittal charitable trust and local trusts are a part of e-governance. To promote e-governance in the college, an e-mitra machine has been installed, in which girl students use their examination forms, fees and other services.

Student admission and support :- The college runs general graduation courses and integrated education graduation courses. The admission process in bachelor of education integrated course is completely online. The students can get information about all the activities of the college, staff and all other services and facilities through online medium from the website.
